Subject: Re: expenses owing

To: "" <>

Hi

This claim has nothing to do with FEC

I am now working for First Pacific in Sydney so don't see PXP guys on a daily basis , but I suggest you check with Dan

It really bothers me that pxp/fec doesn't recognize they would have nothing if it wasn't for my seed money to save FEI from losing the concession back to the DOE in 2003 - none of the current board or ANY board member ANYWHERE in the world would accept not being reimbursed for expenses paid in good faith to promote the company - don't expect me to walk away from this Paul - it's not gonna happen
